

Tube Filter

Publish Date: November 2019

PRODUCT DESCRIPTION

SlurryMonster dewatering tube filters are dewatering bags that are constructed from high strength fiber, allowing for quick and effective dewatering. Using internal pressure instead of relying solely on gravity, dewatering large volumes is achieved, saving time and money.

FEATURES

- Easy to install and use
- Environmentally friendly
- High strength fiber cloth
- Stackable
- Dimensionally stable fabric to minimize binding
